Welcome at

OXFORD LAB FINE CHEM LLP

Dear Valued Customers,

We at "OXFORD LAB" would like to thank you for all your valuable support and for outstanding business for the year 2021-2022.

With the expansion of business since decades of expertise in the field of Laboratory chemicals and Reagents we are committed to customer service and to have a clear vision on Quality without Compromise.

More than 1500+ products in ready stock we strive to take care of the timely and prompt Delivery and execution of orders.

Looking forward, we have merely reached the next level that each member of our company needs to focus on. Ensuring that the company will support by itself a sustainable growth regardless of external factors. We have the key success elements necessary to withstand the winds of change

Our well-recognised market presence with a broad product portfolio, which is being marked up with newer product ranges and efficient manufacturing capabilities that boasts of high quality production and cost effectiveness.

Finally we would like to thank all our present customers and Distributors all over the Globe for making 2021-22 as one more successful year in our Success history.

We look forward for more business in the upcoming years.

Team Oxford Lab

www.oxfordlabchem.com

Grades of Purity

ANALYTICAL REAGENT (AR)

Our AR grades products confirms to the highest purity for Analytical and Research work. The trace impurities are limited to the lowest limits for the reliable use in Laboratory and Pharma Industries. These reagents complies maximum test results for AR and ACS grades.

FOR SYNTHESIS LR, Extra Pure & Purified

General purpose reagents having majority potential applications in chemical laboratories.

LABORATORY REAGENT (LR & E.P.)

Products with grades Pure, Extra Pure, Purified have majority potential applications in chemical laboratories and our most of the products act in accordance with Pharmacopeia to be majorly used in Pharma Industries.

HPLC GRADE

This grade covers Solvents and reagents in wider range of application areas, particularly for biomolecular and ion separation. Key parameters such as UV absorbance, transmittance, non-volatile matter, moisture content, fluorescence impurities and assay are very carefully controlled.

FOR MICROSCOPY (M.S.)

This range of stains and reagents are used in clinical diagnosis and Haematology examinations. Microscopy stains are standardised by UV spectrum and controlled by TLC.

FOR BIOCHEMISTRY

These are Highly Purified Reagents used in Biochemical research and analysis. They are free from inhibits such as traces of heavy metals and tested with a view for Biochemical work. The range covers amino acids, buffers, enzymes and derivatives.

FOR MICROBIOLOGY

This grade covers Products which have been specially purified and tested for their microbiological applications which are free from toxic inhibitors and ensure favourable microorganism growth in culture media.

DIAGNOSTIC REAGENTS

These reagents are specially produced for the use of various hospitals, clinical & pathological laboratories for diagnostic purpose.

FOR MOLECULAR BIOLOGY

These reagents are additionally verified for suitability in Molecular biology and identification Results of microorganisms.

Certifications

CERTIFICATE OF COMPLIANCE

This is to certify that the technical documentation for the products
LABORATORY CHEMICALS (FINE CHEMICALS, LABORATORY SOLVENTS
LABORATORY GRADIENT GRADES, STAINS AND INDICATOR SOLUTIONS)

Manufactured by
OXFORD LAB FINE CHEM LLP
Unit No. 12, 1st Floor, Sankhesh Industrial Estate No. 6,
Nagpur, Maharashtra, India.

Complies with the applicable requirements of
Hazardous Substances Directive (67/548/EEC) (replacement by CLP Regulation 2008)

The technical documentation inspection has been carried out with the involvement of
Hazardous Substances Directorate (HSD), former manufacturer's declaration of compliance
according to these directives in respect of Oxford Lab Fine Chem LLP. For more details
CLP marking as per the latest regulations on the products mentioned in above.

Certificate Number: SCLP1486 Date of Issue: 02.04.2019
Date of initial registration: 01.04.2020 Recertification Due: 01.04.2021
Certificate Expiry: 01.04.2021

ms ASSESSMENTS CERTIFICATE

This is to Certify that the
Occupational Health & Safety Management System
of
OXFORD LAB FINE CHEM LLP
Unit No. 12, 1st Floor, Sankhesh Industrial Estate No. 6,
Nagpur, Maharashtra, India.

Has been independently assessed and is compliant
with the requirements of
OHSAS 18001:2007

This certificate is applicable to the following product or service ranges:
Manufacturing, Repacking & Export of Laboratory Reagents
(i.e. Fine Chemicals, Laboratory Solvents, Reagents, HPLC Gradient
Grades, Stains and Indicator Solutions)

NACE Code: 28.39
IAF Code: 12 Certificate No.: IN12051C
Date of initial registration: 02 April 2018
20 May 2019
Date of this certificate: 01 April 2020
Surveillance audit on or before: 31 March 2021
Recertification due / Certificate expiry: 31 March 2021
This certificate is property of ms assessments and remains valid subject to the terms and conditions of the certificate.

Director

ms assessments is a member of the International Register of Certificated Auditors (IRCA) and is a member of the International Federation of Quality Assurance (IFQA).

Certificate 

This is to certify that the
QUALITY MANAGEMENT SYSTEM
of
OXFORD LAB FINE CHEM LLP
Unit No. 12, 1st Floor, Sankhesh Industrial Estate No. 6, Nagpur,
Maharashtra, India.

has been assessed and found to be in conformity to the requirements of
ISO 9001:2015
This certificate is valid for the following activity:
Manufacturing, Repacking & Export of Laboratory Reagents
(i.e. Fine Chemicals, Laboratory Solvents, Reagents, HPLC Gradient Grades,
Stains and Indicator Solutions).

Certificate No.: DI-18042202
Date of initial registration: 02-04-2018
Date of this certificate: 01-04-2020
Certificate Expiry: 01-04-2021

Terms of Sale

THIS PRICE LIST CANCELS ALL OUR PREVIOUS LISTINGS.

PRICES:

Price mentioned in the Price list are applicable at the time of printing of the Price list and are subject to change without prior notice. Invoice will be made on the basis of the price ruling the date of dispatch of goods.

TAXES & DUTIES:

All taxes and duties are in accordance with the newly implemented GST tax structure.

PAYMENTS:

Payments are to be made by Demand Draft/ Cheques drawn on "Oxford Lab Fine Chem LLP" payable at Mumbai.

Customers can also transfer the payments online by RTGS/NEFT.

BULK REQUIREMENTS:

Considering the special requirements of the customers, bulk packings is available at special prices against enquiries.

INSURANCE:

Goods are packed keeping in mind the utmost safety and care and forwarded at Customer's risk. No responsibility is taken for breakages or loss in transit. Goods can be insured at the customer's request at 1% of the invoice value.

DELIVERY:

While every effort will be made to adhere to delivery dates, no responsibility will be accepted for non-delivery or for delayed delivery. We reserve the right to discontinue marketing any product without prior notice. Products offered are subject to goods available in stock on the date of receipt of the order.

GOODS RETURN:

Cancellation of the order after dispatching the materials will not be considered. All our products are guaranteed for quality. In the unlikely event of any complaint regarding the performance of our products, we shall replace the same unconditionally. However, proper investigations will be required against the complaint (i.e. Batch No., Nature of the Complaint, etc).

SPECIAL NOTE:

All products are sold for LABORATORY USE ONLY. No responsibility will be accepted if they are used as DRUGS, FOOD ADDITIVES or HOUSEHOLD CHEMICALS.

Other metals
Nonmetals
Halogens
Noble gases
Other nonmetals

key:

Atomic number — 13
Symbol — **Al**
Name — Aluminum
Average atomic mass — 26.981 5386
Electron configuration — [Ne]3s²3p¹

The discoveries of elements with atomic numbers 113118 have been reported but not fully confirmed.
